Dear Mr. Randazzo:

Thank you very much for taking the time to paint our blacktop so nicely. Your work is professional and well-thought out. The product that you produced has enhanced what we have to offer our students at recess and during their physical education classes. The paintings have also created an outdoor learning space which can be utilized for a variety of instruction. The maps and the alphabet caterpillar have the ability to truly enhance learning.

We appreciate your donation of the alphabet caterpillar. Many students have positively commented about its appearance as well as many teachers.

Thank you again for your generosity.

Sincerely,

Mr. Geoffrey Hewitt
Vice Principal
